MISSION

Dear Wino,  
 If you are still around  
 next year (if they don't kick  
 you out) we or I will not do  
 what Auntie says. O.K. I hope  
 you have better luck keeping out  
 of trouble than you have been  
 having. Best of luck to a real  
 cool clown who is kicking  
 have around. Remember New Year's  
 Eve; the day we scarfed a quail  
 and above all when RAY HAY originated  
 keep out of trouble with cruisers of  
 the moat. He's a bad, bad boy!  
 Willie (whopper) De Weerd  
 "57" (if I make it)

Dear Vaughan  
 Good luck in the class year  
 of high school if you last  
 that long and watch the  
 girls. Your pal  
 Lawrence "58"

Vaughan lots of luck  
 in the future don't work  
 to hard this summer work  
 and he will remember  
 the good times we had in  
 that old boat at the swamp  
 with the trees with lots of luck  
 to a swell guy a friend  
 William  
 "58"

Dear Vaughan, RAY HAY

RAY HAY

I only hope you make it through high school. With your looks that's as far as you can get. You may be Chita's second but you certainly can't take his place. He's too cute. I don't see how you ever got to be vice president of your class. I always had a feeling that your class was kind of off in some way than one. He of you still remember the time you started up town & got sidetracked? You ended up at the dog pound. The dog catcher made a mistake because of your hair hanging down in your eyes. That new tie you bought is sure a mess, mostly since you tried to strangle Willy with it. Poor tie its sure wrinkled. Those fukles on your nose are cute. Mostly with your pug nose. I really wish that you wouldn't make so much noise. My can hurt & I can smell you awfully plain & I do mean awfully. The only words of advice I can give you are these. Never forget them for they will mean a lot in your future. I know that you won't understand much of them & I don't expect you to because you are quite dense. Just remember to remember them. I've helped many people by telling them the same thing. I just hope these words will improve your personality or rather give you a personality since you haven't any. Don't forget these words. Lots of luck, fun & happiness in the future.

Dear Vaughn  
I hope you make it through  
your years in school and I wish  
you'd brought at least a stopper

I have enjoyed and  
have gotten used to being

Dear Vaughn  
 Its been fun  
 going to school  
 with you. Remember  
 all the fun we had  
 in English I. Remember

# DEDICATION

WESLIE A. STOFFER  
*Principal 1931-1955*

The Mission Staff would like to dedicate this yearbook to the best known and most loved principal Ripon High School was ever privileged to have.

To you we would say, Thank you, Mr. Stouffer, for the innumerable times you've counseled us regarding our present and future, and for your tireless efforts that we might be helped even in the slightest way. Your past has made Ripon High, and though you are leaving us, the memory of all that you have done will remain imprinted in our hearts.

The inadequacy of words prevents us from putting on paper all that you have done. So, Mr. Ripon High, all that we can say is, "Thank you."

## PRINCIPAL'S MESSAGE

Success in any endeavor depends upon the cooperation of all parties concerned. The extent to which a small school is able to win distinction in many fields and be acknowledged as a leader is determined by the degree the faculty, the students and parents work together.

Ripon has long been known as a small school that does things in a big way. This can continue just as long as all groups work and cooperate together.

# STUDENT GOVERNMENT

The student government under advisor Mr. Ernest Poletti and President Frank Franzia completed a successful 1954-1955 school year.

Frank Franzia was elected by the student body to head our government as President. Since our government is patterned after the Federal Government, he appointed people to the offices of Vice President, Secretary of Records, Secretary of Entertainment, Secretary of Notifications, Secretary of Rallys, Chief Justice, Chief of Police, Bailiff, the Supreme Court, Prosecuting Attorney, and Defense Attorney.

Each month a congress meeting was held. During these meetings, bills were introduced; if considered beneficial to the student body, they were passed.

The congress passed a bill which narrowed down the enforcement body to only people selected by the President. This bill did away with the tickets which were given for spite and was proven satisfactory.

Mr. Ernest Poletti, Advisor, and Frank Franzia, President.

Back row: Bill Colbert, Bill Kevith, Bob Richards, Frank Franzia, Robert Cabral, Dave Eckhoff. Front row: Karla Boaz, Shirley Medford, Margaret Hoff. Standing: Mr. Ernest Poletti.

## SENIOR DAZE

The Senior Class of 1955 has always been in a daze of hard work, but we have been able to scrape up a few good times together. For instance, if you were in band, those wonderful days of marching and parading will always be in your mind. If you liked sports there are the memories of football, basketball, baseball, and track seasons.

When we entered as Freshmen, those locker combinations didn't always work. Some of us didn't even know where to go for the next class. Through all this mix-up and chaos we had a happy go lucky Freshman Sophomore Brawl. We also had skating parties that will not be forgotten quickly.

At last we were Sophomores and no longer little guys. This year we gave an initiation party for the incoming Freshmen, and Oh! what a time that was.

Our Junior year came and we were big stuff. That year we sponsored the King and Queen Dance and parade with our King and Queen as winners. We went to work with cake and pie sales practically every other day, for the prom was coming up. The prom day arrived and we enjoyed a wonderful time at the Hotel Covell in Modesto.

At last we are High and Mighty Seniors, with days when there is nothing to do but skip classes. Finally Senior ditchday came, and off we went to Yosemite. Our class had an exciting time with never a dull moment. Then came that unforgettable graduation with its dinner and parties.

Although the Senior Class has had many good times together, a great deal of credit must go to our advisors Miss Dora Jane Perry and Mr. Ervin DeSelle. We hope they enjoyed all these treasured moments with us.

The Senior Class wishes to express their hopes that the coming students of Ripon will have as many laughs and wonderful times to remember as the class of '55.

We also want to express our, "Thanks" to Mr. Stouffer and to the whole faculty for being so patient with such a trying class.

MISS DORA PERRY

MR. ERVIN DE SELLE

To represent us in Congress we had Arline Ostini and Ronnie Friedman.

We sponsored the King and Queen Dance, with Sylvia DePedrini and Terry O'Neal representing us. Other money making adventures ventured into by the Juniors were cup cake sales, sponsorship of the Scholarship Dinner, and food sales.

The outstanding event of the year was the annual Junior-Senior Prom. Advising our class were Mrs. Agnes Huffman and Mr. Philip Ortiz.

# SOPHOMORE CLASS

Under the leadership of Louie DePedrini, President; Joellen Franzia, Vice President; and Vickie Franscella, Secretary, we entered our Sophomore year

The first of several activities was the first school dance. Next we initiated the class of "58" at the annual Freshman-Sophomore Brawl. In January we elected our King and Queen candidates, John Franzia and Joyce Holley. Janice Lee was our chairman for the King and Queen parade, and our float entry won first place making our second year a memorable one.

The next job was to elect our second semester officers, Joellen Franzia, President; Janice Lee, Vice President; and Vickie Franscella, Secretary.

Representing us in Congress were Cheryl Hagenow and Joellen Franzia

Such was our progress under our capable advisors, Miss Godden and Mr. Sullivan

# FRESHMAN CLASS

Making money this year was the Freshman class of '55. They started the year off right by selling programs at the football games. The various committees for the programs were chosen and did their duties well. The project was a great success and provided a neat profit for the class.

Many of the members of the class participated in the various activities offered at Ripon High, and the student body and faculty agreed that the class was a valuable asset to the school.

The first semester officers were President, Ralph Sand; Vice President, Vaughn Medford, Secretary, Christine Castleman. Second semester: President, Wayne Mize; Vice President, Bob Shirley and Secretary, Lorene Ostini.

The class advisors were Mr. Azevedo and Miss Cagianut.

A black and white line drawing of a man in a meditative pose, wearing a turban and playing a flute. The man is seated in a cross-legged position, facing forward. He has a serene expression and is holding a long flute to his lips with his right hand. He is wearing a turban with a decorative tassel on top. The drawing is simple and stylized, with clean lines and no shading. In the top left corner, there is some faint, handwritten text that appears to say "it's always the best".

# DEBATE

Predictions at the beginning of the season gave two sweepstakes to the "intermediate" debate squad this year. They were so termed because thirteen of the thirty-two competitors were newcomers to the field. But hard work, a love for victory, and close teamwork enabled the debaters to overcome this handicap and prove the forecasts false.

In the first tournament at Modesto, Ripon placed second in the race for high honors. The three succeeding tourneys credited Ripon with sweepstakes in both "A" and "B" divisions. When the Mission went to press the debate squad was headed for continued success.

Yes, the individual and sweepstakes trophies earned during this school season definitely proved the predictions untrue. Under the experienced guidance of Coach Ernest Poletti, the squad had an excellent year and hopes for an even better one in '56.

One of the most active groups around school is the band with its 79 members. The organization participated in parades, football games, festivals, and two concerts during the school year.

During the 1954 football season we performed unusual stunts after hours of endless practice. In October we added to our collection a trophy for third place in the C.O.P. Homecoming Parade. The following week we represented Ripon High at the University of California in a mass band half-time performance.

The annual Christmas Concert was a big success because of the hard work by the students and the director. Because each individual did his share, the Spring Concert was also successful. In May the time came for the band to attend the State Festival in San Jose. The Mission went to press before results of this affair could be recorded.

This past year was a tremendous success because of the cooperation of the band members and the time and effort put in by our director, Mr. Ernest Azevedo.

The Warriors started the football season with high hopes for championship. However, injuries and tough opposition made this ambition impossible to achieve.

Frank Franzia and Dave Zellmer represented the team at the All-Star Football Banquet in Modesto.

At the football banquet awards were given to Dave Eckhoff and Dave Zellmer for outstanding linesmen and to Frank Franzia for the most valuable backfield man.

Our boys didn't get the championship, but in the opinion of everyone at Ripon High they truly deserve the highest praise for their season's performance.
